Encyclopedia of Invasions & Conquests, From the Ancient Times to the Present

"This single-volume encyclopedia is ideal for public and academic libraries in need of a general overview on the history of warrior peoples. This expanded edition offers expert knowledge and should be the first stop for any researcher."

-Booklist

"A thorough, well-written analytical work that provides information on the invasions and conquests of global historical significance."

-Library Journal

"…The entries are well written…This volume would be a suitable addition for public, school, and academic libraries."

-ARBA

"Engaging writing, sensible organization, nice illustrations, interesting and obscure facts, and useful maps make this book a pleasure to read."

-ARBA

"…Intended for general readers, it should be used as a first stop for this area of military history…Summing Up: Recommended. Academic libraries supporting undergraduate studies and public libraries serving general readers."
