

# World Cultural Leaders of the Twentieth & Twenty-First Centuries

## New Fold-Out Timelines!

Three new fold-out timelines follow the index, covering the periods from 1880-1919, 1920-1958 and 1960-2007. Each colorful fold-out chart highlights significant events in each of six major cultural categories: Artists, Music, Literature, Dance, Theater and Film. These remarkable views of cultural events as they unfold, also include major historical and political events that affected the cultural climate, providing important reference points throughout the centuries. These interesting, fun-to-browse timelines will enhance all types of research and curriculums.
