## *TheStreet.com Ratings' Guide to Life & Annuity Insurers*

"Weiss' record of spotting weak insurers is so good compared with that of his competitors... insurance buyers need to look no further."

- *Worth*

"... the ratings are unbiased and are recognized as the insurance industry's leading consumer advocate... This rating guide is recommended as a priority purchase for large public libraries and academic libraries."

- *ARBA*

"The value in this guide is that it interprets the data and develops ratios and indexes that the reader must compare to norms. This resource is highly recommended for insurance collections in special libraries, medium and large public libraries, and medium and large academic libraries."
