America's Top-Rated Cities: A Statistical Handbook

"*America's Top Rated Cities* provides the most current, comprehensive statistical information about 100 American cities. This is highly recommended for university libraries, public libraries, and business libraries to use for college graduates looking for jobs, senior citizens looking for places to retire, or for businesses seeking to relocate."

-ARBA

"Libraries that have found prior editions useful will no doubt feel the same about the newest version."
- Against the Grain

"For individuals or businesses looking to relocate, this resource conveniently reports rankings from more than 300 sources for the top 100 cities with populations of at least 95,000... Summing Up: Recommended."

-Choice

"This is a concise, current statistical resource... This is an excellent source to consult for information on relocation of a business or family... Recommended for all public, academic, and special libraries."
- *Library Journal*

"... the strength of the set is that it pulls this information together into one easy-to-use, authoritative product."

- ARBA

"This is the most comprehensive compilation of statistics on cities available... Market researchers will also find the data compiled here a concise, quick and current source. Highly recommended for business libraries serving the public and academic libraries with marketing students looking for data on cities. The price is very reasonable for the convenience of having these statistics gathered together in a very usable format."
- *Journal of Business and Finance Librarianship*

"... This outstanding work selects and profiles...US cities for superior business and living conditions...charts and tables accompanied by brief essays provide city portraits, emphasizing such factors as cost of living, finances, education, taxes, population, employment, earnings, major employers, climate, crime, and air and water quality... While this data exists elsewhere in periodical reports, government statistics,
