Associations Canada

"*Associations Canada* is a comprehensive listing of nonprofit organizations in Canada, as well as self-proclaimed "how-to" guide for incorporating not-for-profit organizations in Canada.... The guide is easy to use and well organized, and the fact that *Associations Canada* is (partially) bilingual also garners kudos. This resource is recommended for public librarians (particularly those close to the Canadian border) and academic libraries with programs in Canadian studies."

- ARBA

"This directory will be an essential reference tool for businesses doing international and corporate business as well as academic and large public libraries."
