

Associations & Organizations

National: Air & Climate

1 Action Environment

38 Tobin Crescent 709-722-1925
 St. John's A1A-2J3
 To take an active role in protecting, restoring and enhancing the environment; committed to taking an advocacy and activist role in our community.
Majorie Evans, Contact

2 Action on Smoking & Health (ASH)

1101 10080 Jasper Avenue 780-426-7867
 Edmonton AB T5J-1V9 Fax: 780-426-7872
 E-mail: website@ash.ca
<http://www.ash.ca>

To reduce and prevent tobacco use.
Dr Roger Hodgkinson, Honorary Chair

3 Air and Waste Management Association

One Gateway Center, 3rd Floor 412-232-3444
 420 Fort Duquesne Boulevard 800-270-3444
 Pittsburgh, PA 15222 Fax: 412-232-3450
 E-mail: info@awma.org
<http://www.awma.org>

The Air and Waste Management Association (A&WMA) is a non-profit, nonpartisan professional organization that provides information, networking opportunities, public educational and professional development to more than 9,000 environmental professionals in 65 countries.

Founded: 1907
Antoon van der Vooren PhD, President
Adrienne Carolla, Executive Director

4 American Meteorological Society

45 Beacon Street 617-227-2425
 Boston, MA 02108 Fax: 617-742-8718
 E-mail: amsinfo@ametsoc.org
<http://www.ametsoc.org>

The society actively promotes the development and dissemination of information on the atmospheric and related oceanic and hydrologic sciences.

Founded: 1919
Richard Anthes, President
Keith L Seitter, Executive Director

5 Center for Clean Air Policy

750 1st Street Northeast 202-408-9260
 Suite 940 Fax: 202-408-8896
 Washington, DC 20002 E-mail: communications@ccap.org
<http://www.ccap.org>

A leader in climate and air quality policy, it advances cost-effective and pragmatic policies. International and domestic programs focus on these four major areas: GHG Emission and Mitigation Economics; Emerging Technologies and Technology Investment; Transportation and Land Use; and Adaptation.

Founded: 1985
Ned Helme, President
Stacey Davis, Director Domestic Programs

6 Clean Air Council

135 S 19th Street 215-567-4004
 Suite 300 Fax: 215-567-5791
 Philadelphia, PA 19103 E-mail: rruiz@cleanair.org
<http://www.cleanair.org>

Dedicated to protecting everyone's right to breathe clean air. Works through public education, community advocacy, and government oversight to ensure enforcement of environmental laws. The main issue areas are indoor air quality, cleanenergy, sustainable transportation, waste and toxins, children's environmental health and air pollution.

Joseph Otis Minott Esq., Executive Director
Michael Burri, Director Development

7 Climate Institute

1785 Massachusetts Avenue NW 202-547-0141
 Washington, DC 20036 Fax: 202-547-0111
 E-mail: info@climate.org
<http://www.climate.org>

The Institute works to protect the balance between climate and life on earth by facilitating dialogue among scientists, policy makers, business executives and citizens. In its unique position it is able to inform key decision-makers, heighten international awareness of climate change, and identify practical ways of achieving significant emissions reductions.

John Topping, President
Nina Rinnerberger, Director of Operations

8 Institute for Global Environmental Strategies

1600 Wilson Boulevard 703-312-0823
 Suite 901 Fax: 703-312-8657
 Arlington, VA 22209 E-mail: info@strategies.org
<http://www.strategies.org>

A leader in Earth and space science education, communication and outreach, and in fostering national and international cooperation in global Earth observations. Through these efforts, society is able to better understand and respond tonatural and human-induced changes in the Earth system.

Nancy Colleton, President
Judy Carrodegua, International Relations

9 Institute of Clean Air Companies

1730 M Street NW 202-457-0911
 Suite 206 Fax: 202-331-1388
 Washington, DC 20036 E-mail: icacinfo@icac.com
<http://www.icac.com>

An association of companies that supply air pollution monitoring and control systems, equipment, and services for stationary sources. It promotes the air pollution control industry and encourages improvement of engineering and technical systems. Members are leading manufacturers of equipment to monitor and control emissions of particulate, VOC, SO₂, NO_x, and air toxics.

Richard A Hovan, President
David C Foerter, Executive Director

10 Institute of Global Environment and Society

4041 Powder Mill Road 301-595-7000
 Suite 302 Fax: 301-595-9793
 Calverton, MD 20705 E-mail: www@cola.iges.org
<http://www.iges.org>

Research institute established to improve understanding and prediction of the variations of climate and to share the results of such research and the tools necessary to carry out the research with society.

Jagadish Shukla, President
Anastasia Shukla, Business Manager

11 International Center for Arid and Semiarid Land Studies: Texas Tech University

601 Indiana Avenue 806-742-3667
 PO Box 41036 Fax: 806-742-1286
 Lubbock, TX 79409 E-mail: gay.riggan@ttu.edu
<http://www.iaff.ttu.edu/home/icasals>

The International Center for Arid and Semiarid Land Studies (ICASALS) promotes and facilitates multidisciplinary research and education of topics relative to the quality of life in arid and semiarid regions of the world, particularly water related issues.

A C Correa, Director ICASALS

12 International Research Institute for Climate and Society

Columbia University/Lamont Campus 914-680-4468
 PO Box 1000 Fax: 914-680-4666
 Palisades, NY 10964 <http://iri.columbia.edu>

IRI's goal is to assess and develop climate forecasts, and to foster the application of such climate forecasts to the explicit benefit of society. Research and tools help solve specific development, adaptation and research management issues. Sectors of IRI work in-

clude agriculture, health, water resources, and economics and livelihoods.

Stephen Zebiak, Director-General
Francesco Fiondella, Communications Officer

- 13 National Association of Clean Air Agencies**
444 North Capitol Street NW 202-624-7864
Suite 307 Fax: 202-624-7863
Washington, DC 20001 E-mail: 4cleanair.org
<http://www.4cleanair.org>

State and local air pollution control officials formed NACAA (formerly STAPPA/ALAPCO) to improve their effectiveness as managers of air quality programs. It encourages the exchange of information among officials, enhances communication and cooperation among federal, state and local regulatory agencies, and promotes good management of air resources.

Shelley Kaderly, Co-President
Ursula Kramer, Co-President

National: Business & Education

- 14 American Association of Zoo Keepers**
3601 SW 29th Street 785-273-9149
Suite 133 Fax: 785-273-1980
Topeka, KS 66614 E-mail: ed.hansen@aazk.org
<http://www.aazk.org>

AAZK is a nonprofit 501(c)(3) organization dedicated to the promotion of zoo keeping as a profession; support of animal care and conservation projects; provision of reference materials for those in the zoo field; and support of continuing education for zoo professionals.

Denise C Wagner, President
Ed Hansen, Executive Director

- 15 American Chemistry Council**
1300 Wilson Boulevard 703-741-5000
Arlington, VA 22209 Fax: 703-741-6050
E-mail: webmaster@americanchemistry.com
http://www.americanchemistry.com/s_acc/

Represents the chemical industry on public policy issues, coordinates the industry's research and testing programs and administers the industry's environmental, health and safety performance improvement initiative known as ResponsibleCare®. Since adopting Responsible Care®, emissions have been reduced by 75% and achieved a safety record more than four and a half times better than the average for manufacturing.

Founded: 1872
Jack Gerard, President/CEO
Lisa Harrison, VP Communications

- 16 American Federation of Teachers**
555 New Jersey Avenue NW 202-879-4463
Washington, DC 20001 Fax: 202-879-4597
<http://www.aft.org>

The American Federation of Teachers is a union that represents K-12 teachers and other school employees, health care professionals and public employees. The union considers itself an advocacy organization for children and the public. It partners with parents to ensure a healthy school environment which has been linked to children's ability to learn and thrive.

Founded: 1916
Edward J McElroy, President
Antonia Cortese, Executive Vice President

- 17 American Forest & Paper Association**
1111 Nineteenth St NW 202-463-2700
Suite 800 800-878-8878
Washington, DC 20036 Fax: 202-463-2785
E-mail: info@afandpa.org
<http://www.afandpa.org>

The American Forest & Paper Association is the national trade association of the forest, pulp, paperboard and wood products industry. AF&PA represent member companies engaged in growing, harvesting, and processing wood and wood fiber, manufacturing pulp, paper, and paperboard products from both virgin

and recycled fiber, and producing engineered and traditional wood products.

Founded: 1993

- 18 American National Standards Institute**
1819 L Street NW 202-293-8020
6th Floor Fax: 202-293-9287
Washington, DC 20036 E-mail: ansionline@ansi.org
<http://www.ansi.org>

The Institute's mission is to enhance both the global competitiveness of US business and the US quality of life by promoting and facilitating voluntary consensus standards and conformity assessment systems, and safeguarding their integrity.

Founded: 1918
Joe Bhatia, President/CEO
Bob Feghali, VP Business Development/CIO

- 19 American Public Works Association**
2345 Grand Boulevard 816-472-6100
Suite 700 800-848-2792
Kansas City, MO 64108 Fax: 816-472-1610
<http://www.apwa.net>

The Association serves its members by promoting professional excellence and public awareness through education, advocacy and the exchange of knowledge. It is an educational and professional association of public agencies, private sector companies and individuals dedicated to providing quality public works goods and services.

Founded: 1937
Peter King, Executive Director
Kaye Sullivan, Deputy Executive Director

- 20 American Society for Testing and Materials International**
100 Barr Harbor Drive 610-832-9500
West Conshohocken, PA 19428 Fax: 610-832-9555
E-mail: service@astm.org
<http://www.astm.org>

A trusted source for technical standards for materials, products, systems, and services. ASTM International addresses the standardization needs of the global marketplace and provides the optimum environment and support for technical committees to develop needed standards and related information.

Founded: 1898
James Thomas, President
Scott Murphy, Director Education Services

- 21 Association of State Wetland Managers**
2 Basin Road 208-892-3399
Windham, ME 04062 Fax: 207-892-3089
E-mail: aswm@aswm.org
<http://www.aswm.org>

Nonprofit organization dedicated to the protection and restoration of the nations wetlands. Our goal is to help public and private wetland decision-makers utilize the best possible scientific information and techniques in wetland delineation, assessment, mapping, planning, regulation, acquisition, restoration, and other management.

Founded: 1983
Jeanne Christie, Executive Director
Jon Kusler, Associate Director

- 22 Association of Zoos and Aquariums**
8403 Colesville Road 301-562-0777
Suite 710 Fax: 301-562-0888
Silver Springs, MD 20910 <http://www.aza.org>

Non profit organization dedicated to the advancement of accredited zoos and aquariums in the areas of animal care, wildlife conservation, education and science. Accreditation is only awarded to institutions that have achieved rigorous standards. There are approximately 200+ accredited members.

Founded: 1924
Mary Healy, Chair
Jim Maddy, President/CEO
