Encyclopedia of Invasions & Conquests, From the Ancient Times to the Present

“A thorough, well-written analytical work that provides information on the invasions and conquests of global historical significance.”

-Library Journal

“...The entries are well written...This volume would be a suitable addition for public, school, and academic libraries.”

-ARBA

“Engaging writing, sensible organization, nice illustrations, interesting and obscure facts, and useful maps make this book a pleasure to read.”

-ARBA

“...Intended for general readers, it should be used as a first stop for this area of military history...Summing Up: Recommended. Academic libraries supporting undergraduate studies and public libraries serving general readers.”
