

Publisher Name Index A-P

THE COMPLETE LIST OF PUBLISHERS, DISTRIBUTORS AND WHOLESALERS

The Publisher Name Index is arranged alphabetically and contains the following elements in the same sequence as listed, when applicable: company name; business affiliation; name symbol/abbreviation used in many of Bowker's bibliographies; International Standard Book Number prefix(es) (ISBN); address(es); Standard Address Number(s) (SAN); telephone number(s); fax number(s); toll-free telephone number(s); and toll-free fax number(s). When multiple address types (Orders, Editorial, etc.) are available for a company, the orders address is designated as such and appears first in the entry, followed by the editorial address. Imprint(s) with their name abbreviation(s) follow, if available. Discount policies and returns policies are also provided, followed by E-mail and/or Web site address (es). Associated distributor(s) are listed at the end of each entry. 'CIP' participants are noted with a dagger (†). Cross-references are provided from imprints and variant names to the main company name, as well as from foreign publishers to their U.S. distributors.
