

TABLE OF CONTENTS

INTRODUCTION

LIST OF TABLES AND FIGURES

I. Economics	1
Introduction	1
Producers/Acquisitions	7
Long-term growth	9
Prices	14
Profitability and company performance	17
Operating data	18
Distribution	23
Expenditures	24
Geographical Patterns	26
Foreign Trade	29
Exports	32
Imports	33
World Plastics Industry	33
Canada	33
Europe	35
Far East	36
Latin America	37
Environmental issues	37
2. Production	45
Feedstocks	45
Intermediates	50
Polymerization	50
Types of Plastics	52
Compounding	60
Plastics Additives	63
Fillers	65
Plasticizers	67
Fibrous Reinforcements	72
Flame Retardants	75
Colorants	79
Chemical Blowing Agents	83
Stabilizers	85
Antioxidants	87
Ultraviolet Stabilizers	89
Lubricants	90
Impact Modifiers	92
Antistatic Agents	93
Organic Peroxides	95
Polyurethane Catalysts	96
Miscellaneous Processing Aids	97

3. Plastics Materials	99
Production/Shipments	99
Products and Uses	100
ABS	104
Producers	106
Pricing	107
Acrylics	108
Alkyds	110
Aminos	112
Cellulosics	114
Engineering Thermoplastics	116
Production	118
Consumption	119
Suppliers	120
Products	121
Nylon	121
Polycarbonates	123
Polyacetals	126
Polyphenyl Oxide	127
Polyphenyl Sulfide	129
Polysulfones	130
Polyimides	131
Polyetheretherketone	133
Fluoropolymers	133
Polymer Alloys and Blends	136
Thermoplastic Polyesters	138
Polyethylene Naphthalate (PEN)	144
Polybutylene Terephthalate (PET)	144
Polyarylates	145
Aromatic Homopolyesters	146
Liquid Crystal Polymers	146
Unsaturated Polyesters	147
Epoxies	151
Polyethylenes	153
High Density Polyethylene	154
Production	156
Products and Uses	157
UHMW Polyethylene	158
Suppliers	159
Prices	160
Low Density and Linear Low Density Polyethylene	161
Production	162
Products and Uses	164
Suppliers	165
Prices	165

Polyethylene Copolymers	166
Phenolics	167
Polypropylene	169
Production	171
Products and Uses	173
Suppliers	174
Prices	175
Polystyrene	175
Production	176
Products and Uses	177
Suppliers	181
Prices	181
Polyurethanes	183
Products and Uses	186
Prices	188
Vinyls	189
Polyvinyl Chloride	190
Rigid Vinyls	194
Flexible Vinyls	195
Producers	195
Pricing	196
4. Processing, Forms and Markets	199
Processing	199
Calendering	201
Casting	109
Extrusion	210
Foam Processing	216
Laminating	218
Molding	219
Injection Molding	220
Blow Molding	225
Compression Molding	229
Rotational Molding	230
Thermoforming	231
Plastic Forms	233
Reinforced Plastics	233
Semifinished Products	238
Finished Products	239
Markets	240
Packaging	242
Building and construction	247
Consumer and institutional	251
Electrical and electronics	253
Appliances	253
Transportation	254
Furniture	257

Other markets	258
5. Industry Activities, Organizations and Sources of Information	259
Sources of Statistical Information	259
Meetings, Exhibitions and Trade Shows	260
Trade Associations, Technical and Professional Societies	264
Trade and Technical Newsletters, Journals, Periodicals, Forums and Magazines	271
Regional Plastics Groups	284
6. Companies	285
Appendix 1.	583
Appendix 2.	591
INDEX OF KEY PERSONNEL	619
