The **2021 Small Business Profile** is a report from the U.S. Small Business Administration. It discusses income, owner demographics, turnover, and various industries, with graphs and charts for a clear visual look at these topics. The **Economic Bulletin**, also from the U.S. Small Business Administration, features charts and maps, and includes growth rate of small businesses, business dynamics, and valuable facts and figures.

The **Content Summary of Chapter Listings** lists more than 1,600 specific businesses under each chapter name. The **North American Industry Classification System (NAICS)** and **Standard Industrial Code (SIC) Reference Tables** are included for users who wish to approach their topic based on the Department of Labor's standardized list of business codes. This table links the SIC or NAICS to appropriate chapters in the directory.
