America's College Museums Handbook & Directory

"The museum directory has more than doubled and now includes 1,736 museum-like research centers affiliated with 822 academic institutions...This comprehensive directory is recommended for museum studies collections."

- Library Journal

"This unique and much-needed directory will be useful for practitioners, researchers, teachers, and tourists."

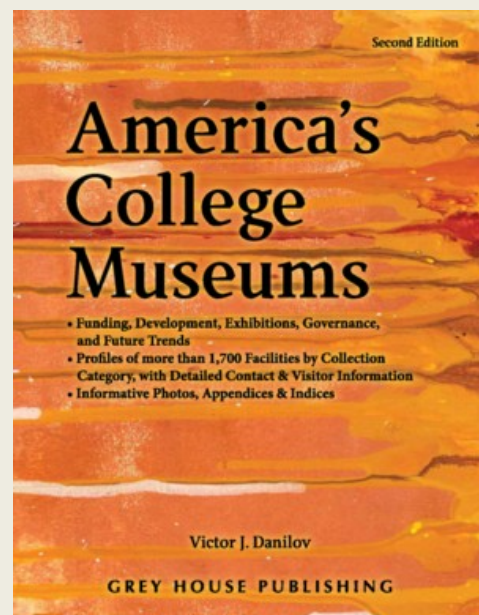

-CHOICE

"The first guide of its kind in over half a century, this work contains 1,108 descriptions in 24 categories. It presents a comprehensive picture of museums, galleries, and related facilities in American universities and colleges.... Beyond being fascinating in its scope, the book provides a wide variety of information about the operations of the facilities..."

-ACUMG News & Review

"Danilov, the compiler of several other museum directories, describes more than 1,000 art museums, botanical gardens, observatories, libraries with exhibit galleries, and specialized museums-academic and large public libraries will find it useful."
